Old Business

FB engagement posts going well

Liv will update rules file and make a fb post

Tina possibly stepping down - Liv to follow up with Tina and see if she thinks she'd have more time available in a few months. If that's the case that is 100% ok and she doesn't need to worry about 'stepping down'. If she would like to step down, Liv will email all current paid members and let them know about the opportunity and see if any of them are interested. Also will make a post in our fb group letting people know and encouraging members to pay their dues if they would like to become a board member and have a possibility of filling the position.

Form changes - opting to not make any form changes at this time

Website - Liv will message the group once Mikayla gets back with her about the website status so we can do a 'walk thru'

Next meeting June 23rd @ 7pm via Zoom

Meeting adjourned 7:58pm
